Terms of Agreement:

In joining the Sleeping Frog Farms' Community Supported Agriculture (CSA), I understand and agree to the following terms:

Farming is a seasonal and unpredictable undertaking.

Selections and quantities in my weekly share will change as the season progresses.

Fluctuation and variations are inherent in farming (due to weather, wildlife, insect pests, and other unforeseen forces of nature). As always, Sleeping Frog Farms will act in good faith to provide me with the freshest, highest quality vegetables possible—however, I understand I am assuming a mutual risk with my farmer, and that I share in the bounty as well as in the risks of agriculture.

I will receive a share of fresh vegetables every week for 12 weeks, beginning Sunday, September 26th, 2010 and ending Sunday, December 12th, 2010.

I agree to pick up my share each week or arrange for it to be picked up by someone else. I understand that if I do not pick up my share it will be donated.

I understand that pick-up will be at the Tucson Farmer's Market at St Phillip's Plaza on Sunday mornings from 8-noon during summer hours and 9-1 during winter hours.

Sleeping Frog Farms is not able to make special arrangements for members to temporarily pause or postpone their shares. If I am going out of town, my CSA share makes a great trade or gift for my house sitter, dog walker, or fish feeder!

I can sell or transfer ownership of my share at any point during the season but there are no refunds.
